

Theale Green Easter House Point Home Challenges

Hello Students!

It is the Easter Holidays. A break from school work and a chance to go outside, meet up with friends and....oh no....wait....this is Easter Holiday COVID-19 Style!

To help you keep busy and have something to do over the Easter break, we have designed the Theale Green Easter House Point Home Challenges. Just for you and anyone else stuck in your home!

Look at the challenge grid. Do as many as you like. Get an adult to tick/sign them off and then at the end of the Easter break total up the number of house points. Ask an adult to email your tutor with the number of house points earned over the Easter break. You could also share some photographs of your achievements (with your adults permission) on social media using the #ThealeGreen365, or email them to your tutor!

There are some links and websites to help you with some of the challenges.

So, what are you waiting for? Get going and get earning house points for your house! Good luck and Happy Easter!
