

THEALE GREEN SCHOOL TRANSITION LEARNING RESOURCE CENTRE ACTIVITY

A massive welcome to TGS from the Learning Resource Centre!

The LRC at Theale Green School works closely with the English Department. In Year 7 you will have an English lesson in the LRC once a fortnight, which will give you the opportunity to read books linked with the Accelerated Reader Programme.

The LRC is open at break and lunch times, where you have access to a wide choice of interesting fiction, non-fiction, manga, graphic novels, magazines and newspapers, along with computers for research and homework.

LRC CHALLENGE

We are passionate about reading in the Learning Resource Centre, therefore we would love to know what you have enjoyed reading throughout your time at Primary School and what your favourite genre is!

Your challenge is to choose one of the following activities:

- Draw a character from a book
- Draw a scene from your favourite book
- Redesign a book cover – think about images, layout, the font size and style
- Write a book review - include a summary of the book, what you liked or disliked about it and whether you would recommend it to a friend.

The MORE that you
READ, the more things
you will **KNOW.**
The MORE that you
Learn, the more places
you'll **GO.**

Dr. Seuss

We would really love to see which activity you decided to do, so please do e-mail your work to transition@thealegreen.w-berks.sch.uk, letting us know whether you are happy for this to be shared on social media. All students who submit work will be awarded house points allowing you to start to work towards the Philosopher's Stone before September!

Good luck!
