

## THEALE GREEN SCHOOL TRANSITION MODERN LANGUAGES ACTIVITY

At Theale Green you will be learning French, but this activity will help you to see connections between different languages. You will be working out how words for food and drink are linked. Use the internet or ask a grown-up to help you.

### 1. Match the pictures to the French words

le pain    le jambon    le poisson    le fromage    le citron  
 les pommes frites    le poulet    le lait    les oeufs    le chocolat

### 2. Use Google Translate to fill in the blanks

Italian	Spanish	French
	el pollo	
		le pain
	los huevos	
il limone		
il latte		
		le jambon
		le fromage
	las patatas fritas	
il cioccolato		
		le poisson

#### Challenge 1

Find out what these words are in another language of your choice, or the language you speak at home if it is not English.

#### Challenge 2

Record yourself saying the words in one of the languages—you can press the audio on Google translate to listen to the correct way of saying them.

#### Challenge 3

Send your work to [transition@thealegreen.w-berks.sch.uk](mailto:transition@thealegreen.w-berks.sch.uk) and tell us if we can share it on Twitter/Instagram and our website.
